MC 2019 BERLIN

MICROSCOPY CONFERENCE

01–05 September 2019
Berlin | Germany

Organized by

DGE
German Society for
Electron Microscopy e. V.

DGE DEUTSCHE GESELLSCHAFT FÜR
ELEKTRONENMIKROSKOPIE

www.microscopy-conference.de

GENERAL INFORMATION

Venue

Technische Universität Berlin
Straße des 17. Juni 135
10623 Berlin | Germany

Date

01–05 September 2019

Conference Chairs

Prof. Dr. Michael Lehmann
Technische Universität Berlin
Faculty II | Mathematics and Natural Sciences
Institute of Optics and Atomic Physics

Prof. Dr. Christoph T. Koch
Humboldt-Universität zu Berlin
Faculty of Mathematics and Natural Sciences
Department of Physics

Program and Topics

The scientific program will offer a variety of plenary lectures, scientific and poster sessions as well as lunchtime lectures and workshops covering the following topics:

- Materials Science
- Life Sciences
- Instrumentation and Methods

Abstract Submission and Registration

The registration system and the abstract submission will be available from autumn 2018. Further details, as well as the abstract topics and guidelines will then be published on the conference website www.microscopy-conference.de.

Industrial Exhibition and Symposia

The conference will host an extended exhibition, which will bring together manufacturers and suppliers in the field of microscopy. Latest developments and new applications will be highlighted during lunchtime lectures. Interested companies are invited to request information on the sponsoring modalities from the conference organization Conventus.
